AKHANDA VISHNU SAHASRANAMA SECOND ANNUAL GLOBAL SATSANG ON

September 19, 2009 @ 7:00 a.m.

5 Recitations of Vishnu Sahasranama will be performed

❖ **Stotra or chanting the God's Name**

Meditation, Japa, and Stotra are the three paths of devotion. Of these three paths, Stotra is simpler, open to all, and can be chanted any time without accompanying rituals. As a result Stotra has become a popular devotional technique. Out of all the Sahasranama stotras, the Vishnu Sahasranama Stotra (VSS) is popular and commonly chanted in Temples across the World.

❖ **AVS Organization**

The goal of AVS organization is to channel the global VSS chanting across different countries in the world, once a year on a Saturday, into one Satsang at the same time. Such a coordinated effort would help to intensify the vibrations and energy of VSS in promoting Peace, Harmony, and Welfare of the world we live in.

The 2nd annual Satsang is set for the first Saturday of the Navaratri festival which corresponds to the Brahmotsavam of Tirumala Tirupati Devasthanam, AP, India. **This year this corresponds to September 19, 2009, the first Saturday of the Navaratri festival.** *With the blessings of Lord Venkateswara and increased participation in India and different countries of the world, we plan to chant one Crore VSS globally in one Satsang in the near future.*

❖ **AVS 2009 Goal**

On September 19, 2009, Saturday, our goal is to chant 100,008 VSS in one Satsang, at the same time, across the World. Our goal is to reach at least 5,000 devotees from US and Canada, 25,000 devotees from India, and at least 1,000 devotees from other countries of the world to participate.
